"Safeguarding is everyone's responsibility"

Coombe Hill Infants' School complies with the relevant legal duties as set out in the Equality Act 2010 and the Human Rights Act 1998; we promote equality of opportunity and take positive steps to prevent any form of discrimination, either direct or indirect, against those with protected characteristics in all aspects of our work.

Introduction

At Coombe Hill Infants' we recognise regular attendance and punctuality are essential for your Child's progress academically and socially. Children with good attendance are more settled and happy at school. Absences during term time could hinder this. Coombe Hill Infants' **does not authorise** holiday in term time, unless there is a compassionate reason.

A child going missing from education is a potential indicator of abuse or neglect and such children are at risk of being victims of harm, exploitation or radicalisation. School staff should follow their procedures for unauthorised absence and for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future.

At Coombe Hill Infants' we expect children to attend school everyday, as long as they are fit and healthy enough to do so. We recognise that good attendance is a whole school matter, and as such is of a primary concern to teaching staff, support staff, Educational Welfare Officers (EWO), Governors, parents and of course pupils.

Every school day counts towards your child's future!

Aims:

Our attendance policy aims to:

- Support children and their parents in establishing the highest level of attendance and punctuality possible.
- Ensure that all children have full and equal access to the best education that we can offer, to optimise learning.
- Enable children to progress confidently.
- Ensure attendance meets the Government and Local Authority targets.

Expectations:

We expect that all children will:

- Attend school every day as long as they are fit and healthy enough to do so
- Attend school punctually
- Attend appropriately prepared for the day
- Discuss with their class teacher any problems that may affect their school attendance

We expect that all parents/carers will:

- Ensure that their child arrives at school punctually and prepared for the school day
- Ensure that they contact the school daily of absence or if known in advance, whenever their child is unable to attend school
- Notify the school of any home circumstances that might affect the behaviour and learning of their child
- Notify the school immediately of any changes to contact details

We expect that the school will:

- Provide a comprehensive induction programme for all new entrants and parents to help children come to school willingly with a positive attitude
- Provide a bright, clean, warm and welcoming atmosphere
- Ensure teacher/assistants will be available from 8.45am at the classroom door to greet children and parents
- Provide a sympathetic response to any child's or parent's concerns
- Keep regular and accurate records of AM and PM attendance and punctuality
- Follow up all unexplained absences to obtain explanations from parents
- Make initial enquiries regarding children who are not attending regularly
- Meet with the Education welfare Officer (EWO) regularly to monitor and support school attendance and punctuality
- Refer irregular or unjustified patterns of attendance to Education Welfare

Definitions

Authorised absence

- An absence is classified as authorised when a child is away from school for a legitimate reason and the school has received notification from a parent.
- The Head teacher authorises the absence.

Unauthorised absence

- An absence is classified as unauthorised when a child is away from school without the permission of the Head teacher.
- Unauthorised absences are those which the school does not consider reasonable and for which no 'authorisation' has been given.

Examples	Authorised absence	Unauthorised absence
----------	--------------------	----------------------

	Genuine illness of the pupil Hospital/dental/doctor appointment for the pupil Major religious observances Visits to prospective new schools External exams or educational assessments	Shopping/ day trip/ visit to a theme park A birthday treat Oversleeping due to a late night Looking after other children/ other family members Appointments for other family members Holidays which have not been agreed
--	---	---

Each child's attendance can be summarised as:

97%+	Good – well done! This will help all aspects of your child's progress at school. You child's attendance is at, or above, the school target.
93-95%	Below expected – Your child's attendance is below expected and will be monitored. You may receive a letter regarding your child's absence.
90-92%	Poor – Absence is now significantly affecting your child's attainment and progress. This will be closely monitored. The EWO may be involved at this stage.
90% and below	Unacceptable – Absence is seriously affecting attainment and progress. Your child's attendance is now a major concern. A referral to the EWO will be made, and strategies will be put in place to improve attendance quickly.

Coombe Hill Infants' and the Educational Welfare Officer work closely together and monitor attendance and punctuality. Non-attendance is an important issue that is treated seriously. At Coombe Hill Infants' we understand that all children are individuals, and we will consider all factors affecting attendance before deciding on the most relevant intervention strategies to apply.

Reporting absences

All absences **must** be reported on a daily basis. In all cases of absence parents should:

- Only keep your child away from school if really necessary. The school will always send home an unwell child.
- Telephone the school on **02089429481** before 9.30am, or email admin@chi.rbksch.org to let them know why your child is absent.
- **Please call daily and keep the school informed** if more than one days absence is necessary.
- If it is absolutely necessary for your child to attend a medical appointment during the school day, please bring your child to school before and /or after their appointment. Please bring a copy of the letter or appointment card to school.

If unexplained absences continue, or the school is concerned regarding irregular attendance the assistance of the EWO will be enlisted.

Lateness

Punctuality to school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is essential that all children arrive at school on time. The school gate closes at 9.00am. If your child arrives after this time, they must enter via the school office. Parents must record the reason for the lateness in the 'late register'. A record of pupils who are late is given to the Headteacher each Friday.

- By law, schools must take a morning and afternoon register and record the attendance and absence of every pupil
- Registration takes place at 9.00am, pupils who arrive after this time will be recorded as late to school.
- Afternoon registration takes place at 1.15pm
- Persistent lateness by a pupil may be referred to the EWO

If you are more than 15 minutes late to collect your child from their classroom, please come to the school office where you will have to sign out your child.

The Law

By law, parents must ensure that all children of compulsory school age (between 5 and 16) receive suitable, full time education.

Leave of absence

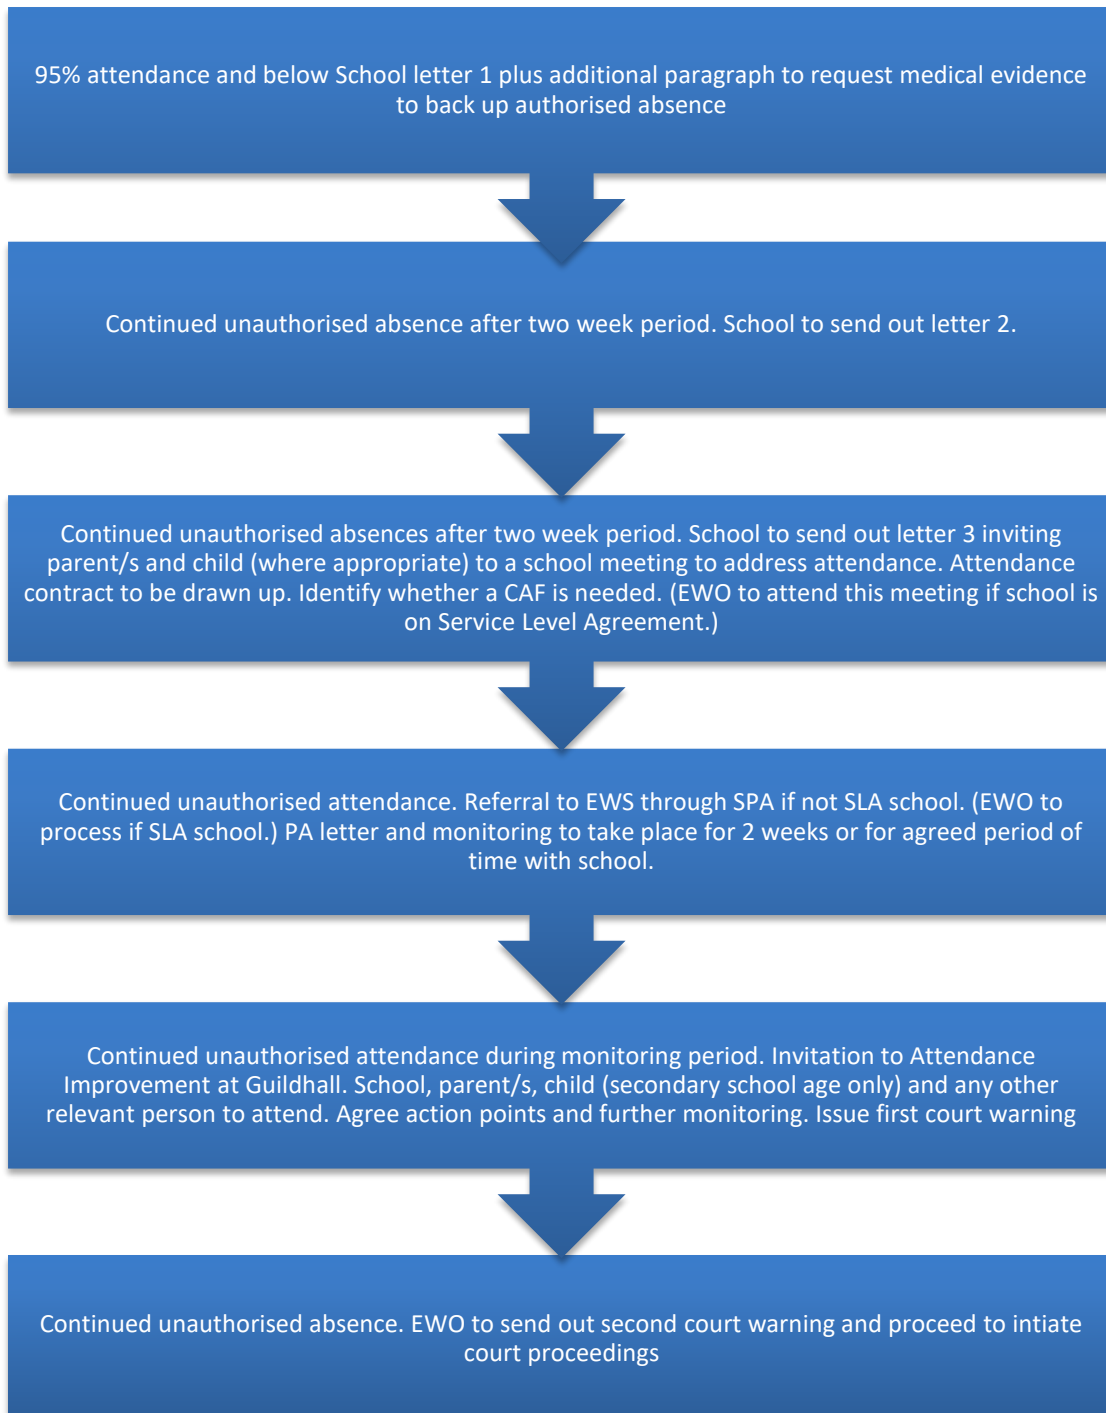

Please be aware that The Education (Pupil Registration)(England)(Amendment) regulations 2013, which came into effect on 1st September 2013, states that Headteachers **may not grant any leave of absence during term time**, unless there are exceptional circumstances.

Please sign and return this slip to school confirming that you have read and understood the Attendance policy.

RE: Absence Monitoring

In our recent monitoring of absence **child's name** appeared on our list of pupils whose attendance is below (insert %according to schools own policy).

Child's name attendance is currently (insert %) for the period (insert date) to (insert date).

This percentage falls below the government target of 97% attendance and shows that your child has had a larger than average number of days off due to illness. We appreciate that children can become ill and need days off to recover however we would now ask you to seek medical advice for future illnesses and provide evidence of this in order for it be authorised by the school.

If this pattern of attendance was to continue for the remainder of the year your child will not be able to keep up with his/her work. If this pattern of attendance continues and it falls below the 90% level and is unauthorised you will be referred to Education Welfare who may need to take the matter further.

If there are any concerns or circumstances affecting your child's attendance, other than illness, please ensure you make an appointment to see (insert name of head teacher or senior teacher) at your earliest convenience.

Yours Sincerely

Dear <name of parent / carer>

Since we wrote to you on <date of 1st letter>, <name of pupil>'s attendance has failed to improve significantly, and is now <attendance percentage>%. This is below what we expect and to put this into perspective 90% attendance is equivalent to missing 19 days of school per year – your child will spend more time at home than at school this academic year!

Ongoing low attendance is a factor often linked to low levels of academic success. It is important that low attendance is dealt with as early as possible to prevent poor habits of attendance forming with <name of pupil>. Poor attendance habits now will make it increasingly difficult for you to ensure your child attends school regularly as they get older.

We wish to help <name of pupil> to improve <his/her> attendance. If you would like to discuss <name of pupil>'s attendance please contact <school contact> on <school contact number> and I will be happy to talk with you and if required arrange a meeting.

We would appreciate your support to make sure <name of child>'s attendance improves. The school will continue to monitor the situation and will be in touch again if it does not improve.

Thank you for your cooperation

Yours sincerely

School Meeting Letter

Dear Mr. & Mrs. Child

Child's Name: Template Child Date of Birth: 01/01/1900

School: Tester School

Current Attendance Level: 70%

You will recall that I wrote to you on (date) regarding Template's poor attendance at Tester School. I enclose a copy of Template's registration certificate, showing that since (date), Template has had 30 sessions of unauthorised absence. You will notice that further unauthorised absence has occurred.

I need to make you aware that the Education Act 1996 states that it is the responsibility of the parent/carer to ensure that their child attends the school at which they are on roll. A failure to do this could result in legal action being taken by the Local Authority.

I would therefore like to meet with you to discuss this and support you in ensuring Template attends school regularly. I would like to meet you at (location of visit) at (time) on (date). If you cannot make this meeting, please can you inform me by contacting me on (contact details)?

Yours sincerely
