

COOMBE HILL INFANTS' SCHOOL

Friday 8 December 2023

Dear Families,

This week we are all thinking about our core behaviour values...Ready ,Respectful and Safe. We have been asking children to think about how this looks for them and for their behaviour. We are currently finding that a number of children are playing very rough games and hurting each other. Please could you keep an eye on anything which may be influencing them. It could be the news, a computer game or access to a mobile phone. We are concerned about some of the behaviour we are seeing. **Next week** we will be reminding children about being **safe and respectful** like Kanga and Winnie the Pooh.

Accent catering tasting session

It was a pleasure to see some of our parents at the Accent catering tasting session this morning, thank you to those of you who were able to come along. We hope you enjoyed learning more about the school lunches that your children enjoy every day, and sampling the food. Please look on our website for recipe booklets and more information.

Christmas Fair

It was wonderful to see so many of you at the Fair on Saturday. So many of you worked so hard to make it such a lovely event. We raised around £7,500 which is incredible. This money will be shared between the two schools. Money raised by CHIPTA pays for our forest school teacher and our drumming teacher. Without your help we couldn't provide these things for your children, thank you.

Book sale

So many books were donated for the fair and we have some left over, they will be available at the cake sale next week and more donations are most welcome.

Raffle prizes

The raffle was drawn yesterday, thank you to everyone who bought tickets and supported this. Please check your email to find out if you have won a prize. If you have won a prize, please email chiptachair@gmail.com to find out how and where to claim your prize.

Hanukkah assembly

Today we celebrated the festival of Hanukkah and the year 2 singing club led the whole school with a celebration song. We thought of similarities between religions which celebrate using candles and lights.

Year 2 trip to Cornerstone church - A Christmas Journey

Year 2 enjoyed a trip to the Cornerstone church in Kingston on Wednesday. They travelled by bus and enjoyed watching actors recreate scenes of the nativity in different parts of the church. It really brought their learning to life. We are grateful to the Cornerstone church for inviting us, and thank you to those parents who helped us - we couldn't do it without you.

St Nicholas Day tradition

The children all enjoyed a special treat on Wednesday to mark St Nicholas Day. It is a tradition in some European countries on this day for children to receive treats and gifts in their shoes. The children returned from a special assembly to discover that their shoes had been filled with tangerines, a lovely surprise!

Spark! Book awards

As you know, some of our lovely children helped us film the introduction videos for the Spark!Book Awards longlist - [The Twelve Books of Christmas](#) - the Picture Book Category. Take a look at the 6 videos which have already been released on Twitter, Instagram and Facebook.

OPAL outdoor play and learning

An update on our OPAL Outdoor Play And Learning project (with CHJ).

We are introducing something new to the children each week and they are thoroughly enjoying playing in new areas of the school grounds and mixing with the junior school children. So far, we have introduced a music stage area, a small world play area, tyres on the field and next week the children will find out in our Tuesday assembly! For more information see

[www.outdoor play and learning.org.uk](http://www.outdoorplayandlearning.org.uk)

School clubs

Payment for school clubs is due by Monday 11 December. If your child has been allocated a club place that you no longer need and don't intend to pay for please let us know by Monday as there may well be a waitlist. We do still have a few spaces in Board Games/Construction club (Mondays - all year groups), Drumming (Tuesday - year 2 only) and Storybooks/Film club (Thursdays - all year groups), please let us know by Monday if you would like a place for your child. Payment for our external clubs, French and Drumming, is also due by Monday to Madame Banks and Sean Quinn.

Christmas concerts

We are all looking forward to the Christmas concerts, they are always a highlight of our school year. You have all received full details this week, please ask the school office if you have any questions. We have had a number of requests for additional tickets but can only allocate them if we have capacity, and if parents who are not planning to use one or both of their tickets, let us know. Please let us know if you do not need one or both of your tickets so that we can offer them to another family. Please note that the dress rehearsal is for families with younger children, we cannot offer this as an alternative to the main concert dates for families. Thank you for your understanding.

We will let you know when we are able to accept donations again in the future.

Parking and courteous behaviour

Unfortunately this week we have had complaints reported to us about the conduct of some of our parents when parking and driving in the local streets at morning drop off and afternoon collection. There have been instances of parents driving down Crown Road at speed at times when there are many children getting in and out of cars and using the pavements. We have also been made aware of parents being aggressive towards local residents when they have been asked not to park in front of their driveways etc. We understand that the vast majority of parents would never behave in this way but the behaviour of a few can reflect our school in a poor light within our community. Your children have recently taken part in road safety week and it is so important that we all set a positive example for them. Thank you for your co-operation with this.

Childhood illness

At this time of year children can suffer more with seasonal illnesses. The NHS has a useful page in understanding whether your child should attend school or not if they seem unwell. Please see <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>. There is advice here for chicken pox, coughs, cold, earache, raised temperatures, conjunctivitis etc.

Vomiting and diarrhoea

Please pay particular attention to the rules around vomiting and diarrhoea as this is very infectious and spreads quickly among small children. In fairness to everyone **please ensure that your child remains at home for at least 2 days/48 hours after their last bout of vomiting or diarrhoea.** Unfortunately over the past week some children have been sent back to school too early and have

become ill again whilst in school. Please strictly observe the 48 hour quarantine period. Thank you for your co-operation with this and please ask the school office for advice if in doubt.

Job Vacancy

Connections Club is the friendly, wrap around care club for Coombe Hill Schools. We are currently looking for a playworker for our Breakfast Club and After School Club starting in January. If you enjoy working with children and have enthusiasm and can work from 7.30 am - 9.00 am Mon - Fri and 2.30 pm - 5.30 pm Mon - Fri please contact Jill Evans in the Junior school office on 020 8949 1743 or jevans110@chj.rbksch.org. Your children may attend Connections Club both morning and afternoon free of charge whilst you are working. If you are only interested in working in Breakfast club we would still like to hear from you. Please contact Mrs Evans if you would like more information.

Healthy families

- **What do parents say who have already accessed HENRY?**
- I enjoyed that I was not being 'told what to do', but instead we had discussions around what would work for my family.
- The possibility to talk and listen with other parents, getting ideas to cope with difficulties.
- The food boxes are brilliant
