NCFE CACHE Level 2 Certificate in Understanding Autism

This qualification is designed for learners who wish to develop an understanding of autism and how to support individuals with autism.

This qualification aims to:

• Develop learners' understanding of autism and the principles ofsupporting individuals with autism

It covers

- person-centred approach and influence of positive communication methods,
- how to support positive behaviour
- how individuals with autism can be supported to live healthy and fulfilled lives.

The objective of this qualification is to help learners to:

• Progress within employment in a variety of sectors, and in a number of job roles where an understanding of autism and knowledge of how to support people with autism is required.

This is a knowledge-only qualification; therefore, no real work environment placement is required.

Delivery:- Offered as a blended learning delivery with use of the two workbooks with a tutor offering learning/taught sessions online every other week.

You will need access to a computer, laptop or tablet and an internet connection. If you do not have the necessary IT equipment you ca still apply as there may be the opportunity for equipment loan, depending on personal circumstances.

Course duration 21st April to 14th July Every Thursday - 12 Weeks

What can I do after course has finished?

Learners who achieve this qualification could progress to:

• Level 3 Diploma for the Children's Workforce (Early Years Educator)

• Level 3 Diploma in Health and Social Care (Adults) for England

• Level 3 Diploma for Residential Childcare (England)

• Level 3 Award in Supporting Children and Young People with Autism
