1. About Connections

Tell me about Connections

Connections is open every day that school is open to pupils. Bookings are taken for complete half terms and payment is required in advance of each half term. Connections is not suitable for those with varying requirements from week to week. We can accommodate your regular booking of any permutation of Breakfast and/or After School Club sessions, subject to availability. Children are given breakfast in the mornings and a light snack in the afternoons. We offer a play based environment where children have access to a range of resources that support and enhance their learning and social skills. Our playworkers have Disclosure and Barring Service clearance and appropriate qualifications for working with children.

What times does the club operate?

Breakfast Club - 7.45am to 8.45am. After School Club - 3.00pm to 6.00pm. You may drop off your child later than 7.45am and you may collect earlier than 6.00pm if you wish.

What are your prices?

Breakfast Club £6.50, After School Club £15 - these are our regular charges per session when the complete half term is booked and paid in advance. Other charges may apply (see under 'Charges')

2. Booking

How do I book?

If you wish to request a new booking, please submit a Booking Request Form by the published deadline – go to the 'Booking and Payment' section on our webpage.

If you have a booking already, we will automatically roll it over to the next half term. You do not need to submit another booking form.

Do I need to re-book each half term?

No. Your existing booking will be rolled over automatically to each subsequent half term. If you wish to cancel or make changes, you need to contact us before the published deadline – see the Booking and Payment section of our webpage.

Can I book different sessions from week to week?

No. Bookings are taken for the same weekly sessions for the complete half term.

Can I make a temporary booking?

Unfortunately we are no longer able to accommodate Ad Hoc bookings for occasional sessions. If you know in advance that you'll need a temporary childcare arrangement, it may be worth considering a booking for one whole half term instead (subject to availability).

Can my child start in the middle of a half term?

Yes, if we have availability. Please contact us by email to make your initial enquiry.

Can I book my other children into Connections?

Connections Club is open only to children attending Coombe Hill Infants' School or Coombe Hill Junior School.

Can you reserve a place for my child for the future?

We cannot hold unpaid places for future half terms. We will try to give you an indication of the likelihood of future availability but we can give no guarantees.

4. Payment

How do I know when to pay?

Our dates and deadlines are published in the Booking and Payment section on our webpage. We also send out emails to all Connections parents to advise when fees have been applied to ParentPay and the payment deadlines.

How do I know what I need to pay?

A negative red 'Balance' figure shown against your Connections payment item(s) in ParentPay is the amount you need to pay. If the balance figure is positive, in blue, you have credit on that item and no payment is required.

There is more on 'understanding Connections charges on ParentPay' on our webpage.

What type of payments do you accept?

We accept payment by ParentPay made through your ParentPay account. We also accept Childcare Vouchers and HMRC Tax Free Childcare – you need to log into your voucher or HMRC account to instruct the correct amount to pay to us. You will find the reference you need for Connections Club in our 'Voucher Company References' section on our webpage. We also accept college bursary funding – please contact us in advance if you wish to pay by this method.

Why is my recent voucher or HMRC payment not reflected in my ParentPay Connections items balances?

It takes a few days for your voucher or HMRC payment to reach our bank; then another few days for us to manually update your ParentPay account. Please check your ParentPay balances again in a few days' time. If your recent voucher or HMRC payment still isn't showing, please contact us.

Can I pay in instalments?

No. Our terms and conditions state that full payment is required in advance. It is in your interest to contact us as soon as possible if you anticipate you won't be able to pay in full by the payment deadline.

Can I pay for a longer period in one go?

No. Our experience tells us that parents' needs can change unexpectedly and that Connections Club can close unexpectedly (eg. Government Covid-19 directives). Therefore we strongly discourage payments for a greater period than one half term at a time.

Whilst it is possible to make a ParentPay payment at any time, even before payment is required, we discourage overpayment in case of unexpected closure of Connections Club.

We very strongly recommend that you do not overpay in vouchers or HMRC Tax Free Childcare since refunds of these payments are strictly forbidden by HMRC.

What if I pay late?

Late payments may forfeit your booking. If you believe you may have a problem in making your payment on time, it is in your interest to contact us as soon as possible.

What if I can't pay?

You must contact us as soon as possible.

5. Discount and Refunds

Do you offer sibling discount?

Unfortunately our costs are the same for each individual child so we are unable to offer sibling discount.

Do you offer refunds if my child misses a session?

No. Missed sessions are not refunded.

In extremely exceptional circumstances we will credit your ParentPay account as follows:-

We will credit on ParentPay, 50% of the value of your child's missed sessions if he/she is part of a bubble that has been informed by Coombe Hill staff it is required to isolate away from school as a Covid-19 precaution. If Connections Club or school closes due to an emergency or a Government directive we will credit on ParentPay, 100% of the value of your child's missed sessions.

Credit may be used towards future Connections fees. Refunds may be offered only if credit has been unused and your child leaves their Coombe Hill school.

Do you offer discount if my child is on a school trip?

Yes, for residential trips. Charges for your booked sessions on the trip dates will be reduced by 50%.

Are fees reduced if my child attends only part of a session?

No. Each session fee is fixed regardless of how long your child attends on the day.

Are fees reduced if my child attends an activity club at school before coming to Connections?

No. Each session fee is fixed regardless of how long your child attends on the day.

7. My Child's Absence

Do I need to let you know if my child is not going to attend the booked session?

Yes, do please phone or text us (07745 046121) if your child is leaving after school instead of attending After School Club. You don't need to let us know if your child will not be attending Breakfast Club. If your child will be absent from both school and Connections, you need to inform the school office via the usual method.

Do you offer refunds if my child misses a session?

No. Missed sessions are not refunded except in extremely exceptional circumstances. Please see under '5. Discounts and Refunds'

8. Dropping off and collecting my child

Can I drop off my child later than 7.45am or pick up before 6.00pm?

Yes you can. But do bear in mind that your child may miss food times if you drop off late or pick up early.

Where do I drop off / collect my child?

Infants' School children - the door to Connections is at the back of the Infants' School. In the mornings, escort your child through the blue metal gate next to the Infants' school main entrance, round the outside of the Infants' School building to the back; the Connections door is up the steps next to Butterfly Class. Collect your child from the same location. The code for the gate will be supplied to you in your booking confirmation email.

Junior School children – escort your child to the Junior School main school entrance to drop off your child in the mornings. In the afternoons, wait at the same location and phone 07745 046125 and your child will be brought out to you.

I don't know the gate code

The code is included in our booking confirmation email to you. If you can't find the email, please call us when you arrive, on 07745 046121.

Do I have to accompany my child to and from Connections?

Yes, children may not arrive or leave Connections unaccompanied, except for Y5 and Y6 children who are allowed to arrive to Breakfast Club unaccompanied if you have given your permission in writing in advance.

Do I need to let you know if someone else is collecting my child?

Please do tell us in advance but also remember we won't release a child to an unknown adult unless he/she can give us the password you supplied on your Booking Request Form regardless of whether you have told us in advance.

My child has an appointment. Can he/she leave and return to After School Club?

No. Once your child has left, there is no return to the session.

Can I park in the school car park?

You may use the school car park only at certain times, otherwise park in a side road near school.

You may drive into our car park and pull-up temporarily in the school 'horseshoe' (the school drive-through area) only if it's before 8.00am. Do not park in the marked bays.

You may drive into our car park if you arrive to collect after 4.45pm. Park only in a marked bay.

9. What's goes on in the club?

What activities do you offer?

We plan activities around the children's interests, and the weather! We provide a choice of activities such as crafts, board games, floor games, small world play and construction. Weather permitting, we encourage all the children to be outside using as much of the space as we can (ie the Infants' playground, the MUGA, field and Junior playground and log cabin area.) We organise ball games, Space Hoppers, Swing Ball, den building etc. The children have access to quiet areas both inside and out for quiet reading and games as well as physical activities. We have short ICT sessions, occasional films, dancing, yoga, sewing, cooking and competitions. We offer a session with 'Love the Ball' sports coaches on one day per week.

Can my child choose his/her activity?

Yes, within reason! Children are encouraged to 'choose it, use it, put it away'. We usually offer an adult led activity each afternoon and put out a choice of resources for free play but once the children get used to us and the range of resources available they happily choose their own.

Do children play outside?

Yes, if weather and daylight permit.

Can my Infants' School child and my Junior School child be together?

No. Children in years 3,4,5,6 use the Junior school premises. Reception and Year 1 and Year 2 children use the Infants' school.

What food do you offer?

Fresh water and fruit/vegetables are available at both morning and afternoon sessions. Breakfast is usually a selection of cereal/yoghurt/toast/pancakes/brioche/croissants with jam/honey/marmite.

As soon as the children arrive in the afternoon, a light snack is served, such as sandwiches/soup/beans on toast/pasta/jacket potato/wraps. Fillings are a choice of cheese/tuna/marmite.

Is there a choice of food?

The snack choice is rotated on different days each week. If any child does not like the snack choice of the day, we try to offer an alternative within reason.

My child has a food allergy. How do you know and cater for this?

We refer to the information you have supplied to the school office. We currently cater for lactose free and gluten free diets. We are happy to work with you to provide the appropriate food for your child.

Can my child bring his/her own snack?

No. Only food provided by Connections is permitted.

What's the ratio of staff to children?

We aim for a ratio of 1:10
