

CHI School Development Plan

1 - Leadership and Management

Ensuring the effectiveness of leadership at all levels to ensure a culture of child centred decision making which is sustainable. This will include the development of a clear communication strategy.

2 - Inclusion

To further develop response to identified needs, select and implement effective interventions, and monitor their impact beyond universal Quality First Teaching.

3 - Oracy

Embed oracy teaching and learning across the curriculum to improve pupils' speaking and listening skills, confidence, and vocabulary at Coombe Hill Infants and develop an Oracy strategy.

4 - Mathematics

To implement the NCETM Primary Mastery Spines in Year 1, ensuring a consistent, evidence-based approach to mathematics teaching that develops deep understanding for all pupils.

5 - EYFS

To develop outdoor learning provision across the school with a focus on EYFS and outdoor play and learning through the OPAL programme, working towards the platinum accreditation.
