

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2024 to 2025 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Coombe Hill Infants' school
Number of pupils in school	270
Proportion (%) of pupil premium eligible pupils	10% - 28 pupils (27 are FSM)
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2024 - 2027
Date this statement was published	December 2024
Date on which it will be reviewed	September 2025
Statement authorised by	Janet Berry
Pupil premium lead	Jacqueline Heard
Governor / Trustee lead	Tim Sandford and Tom Glossop

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£47,360 (financial year - Ap24-March 25)
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£47,360 <small>* Please note the PPG funding is for our financial year rather than academic.</small>

Part A: Pupil premium strategy plan

Statement of intent

Our intention at Coombe Hill Infants' is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve their potential across all subject areas.

Our Pupil Premium Strategy plan shows how Coombe Hill Infants' School are planning to allocate Pupil Premium Grant funding in 2024-25, so as to raise attainment and progress for disadvantaged children, as well as to diminish the difference between these children and others in their cohort. This Strategy was written by the SENCO (Inclusion Manager), in consultation with SLT and shared with governors and is updated annually. The next review will be in September 2025, which will be conducted in preparation for the amended strategy, completed on an annual basis in December 2025. This Strategy is available to view on the School Website, together with previous PPG Strategy/Information reports, in line with legal requirements.

Coombe Hill Infants' school has high expectations, a broad curriculum and aspirations for all children. We recognise that the PPG, LAC and young carers group is diverse, but that many children in this group may face barriers to learning. These needs vary individually between children and in each cohort, and this influences our individual and flexible approach to working with PPG children and their families. We never associate eligibility for PPG funding with low ability, ensuring we always aim for the highest levels. We reflect on what has worked well, lessons learnt from previous years and use evidence and research (e.g. the Education Endowment Foundation) to choose actions with evidence of raising attainment. We consider the whole child and the challenges that each child may have faced, such as those in care, those who have a social worker or those with SEND.

Our main aims are to;

- Improve and enhance educational outcomes of pupils eligible for pupil premium funding by delivering appropriately targeted support to ensure that they make good progress from their starting points and that they achieve in all areas to the best of their ability.
- To ensure pupils eligible for PPG are supported to achieve the highest levels.
- Ensure a consistent approach to Quality first teaching.
- Deliver daily “keep up” and “catch up” interventions to encourage independence and improve reading skills - all interventions are monitored and the impact regularly assessed.
- Address the health, well-being and social and emotional needs of those pupils eligible for the pupil premium funding.
- Wider strategies are established to help address and support behaviour and attendance
- All work carried out through the Pupil Premium funding is aimed at accelerating progress and moving children forward to achieve at least age related expectations and to narrow the achievement and attainment gap (where it exists) between disadvantaged pupils and their non-disadvantaged peers.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<p>Academic achievement - 2023/24 data</p> <p>Reception 86% of our PPG children in reception achieved a good level of development, compared to 78% of non PPG children. For the first time we see that the gap is now favourable to our disadvantaged pupils, when compared to non disadvantaged pupils.</p> <p>Year 1 Out of 11 PPG children, 100% passed the phonic screen, which is amazing! Well done to our pupils.</p> <p>Year 2 PPG children achieved expected or exceeding Reading - 69%, writing - 62%, maths 56%</p> <p>As you can see our PPG children achieved exceptionally well and we are extremely proud of the progress they have made.</p> <p>As this is the first time the gap has been reduced so successfully, our challenge is to maintain this, continuing to have high expectations for all</p> <p>It is worth noting that over 70% of our PPG children are subject to intersectionality in both advantageous and disadvantageous ways.</p>
2	<p>Emotional wellbeing and safeguarding needs</p> <p>Ongoing discussions with pupils and their families show that a significant number of families require additional support, including social, emotional and mental health signposting.</p>
3	<p>End of year attendance data 2023/ 2024 showed</p> <ul style="list-style-type: none"> ● PPG children attendance – 93.03% Last year - 90.68% ● Non-PPG children attendance – 95.5% ● Number of PPG children with PA – 7/33 last year - 11 <p>Although we have seen a decrease, this year we would like to see the % of PPG PA reduce even further.</p>
4.	<p>Our current economic climate in the UK means that more and more children are disadvantaged. We have seen a significant increase in food bank voucher requests.</p>

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>All PPG children will achieve age related expectations and above in all subjects - Developing high-quality teaching, assessment and a broad and balanced, knowledge-based curriculum which responds to the needs of pupils</p> <p>Focus on QFT and adaptive practice for all children using meaningful assessment for the core and broader curricula to ensure consistency</p> <p>Focus on strong teaching and learning of foundational knowledge - phonics and early reading, writing, spelling and maths following our Agreed Approaches to ensure consistency. Listening and oracy are key.</p>	All EYFS children will achieve GLD
	<p>Regular CPD for all staff on QFT - planned alongside AFL and adaptive practices - using Rosenshine principles.</p> <p>Teaching some vs teaching all - Tom Sherrington</p>
	Reading progress is good/ better for all
	<p>KS1 - PPG pupils - improve outcomes at EXS and GDS (in line with National) and ensure good progress</p>
	<p>PPG children attend targeted academic support - where it is needed</p>
	<p>Enhance staff PPD - to ensure SDP priorities are monitored and discussed - helping to maintain a high standard for all children - Monitoring and coaching staff on a termly basis</p>
<p>Identified PPG children and families with SEMH difficulties will access EWP support and in house ELSA support</p>	<p>Children are resilient, positive and take pride in their achievements and relationships</p>
	<p>Parental support is consented to and accessed through the EWP and family links course.</p>
	<p>Relationship and behaviour policy and attachment training - is regularly reviewed with an annual focus through staff CPD</p>
	<p>School to achieve AASA - Attachment aware school award - GOLD</p>
	<p>CPOMS is used by all staff</p>
	<p>Regular meetings are held by the DSL team with a focus on PPG and disadvantaged children - safeguarding, behaviour and mental health support. Notes are kept and shared with each year group lead and team</p>
<p>To improve the wider life experiences - Continue our high level provision with regard to school trips and enrichment activities and acceptance of diversity.</p>	<p>All pupil premium pupils are provided with full access to school trips and enrichment activities.</p>
	<p>Outdoor Play & Learning (OPAL) Programme is embedded with CHJ - improving wellbeing through play</p>

To support families during the current economic crisis	Opportunities for building cultural capital are planned for and arranged, both for the whole school and also for targeted disadvantaged groups.
	Regular audits are made to determine what % of PPG children are accessing our clubs
	Access to foodbank vouchers are given automatically to eligible parents
	Free places to clubs are offered on a termly basis - disadvantaged children are given priority
Maximise opportunities for effective parental and community engagement to help build relationships with families and gain trust.	Parents of PPG children attend school meetings - curriculum, welcome, EP workshops etc
Reduce the amount of PPG children classed as persistent absentees	PPG attendance is in line with the national average. Persistent Absence is decreasing over time for disadvantaged pupils.
	Offering volunteer opportunities for parents, to encourage working in school and building relationships.
	Allowing reasonable adjustments to be made. Supporting children depending on their needs when separating from parents and transitioning into school - ERSA (emotionally related school avoidance)
	Relationship policy to include references to attachment and trauma informed language and practices - which can be used with both children, parents and staff. To help build and maintain positive relationships.
	CPD surrounding the relationship policy - with aims to reduce absences by supporting those children with behavioural difficulties in school, leading to more positive relationships throughout
	Leaders plan to provide training for all staff on attendance with a focus on belonging and relationships.
	Revisiting our attendance policy to ensure it has robust escalation procedures and step by step guidance including meetings with outside agencies and medical staff if applicable - ensuring this in line with CHJ <ul style="list-style-type: none"> ● There is a personalised approach for families with personalised strategies. ● Leaders ensure that they are visible for pupils and parents and that a sense of belonging is promoted on arrival to school.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 33,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>CPD for all staff on QFT PPG - teaching some vs teaching all CPD for staff</p> <p>Staff team to focus in on those children not attaining to understand the why</p> <p>AFC costs Staff time to complete training - Head, deputy head and SENCO</p> <p>CPD for all staff on PPG children and how to ensure all children succeed in the classroom</p> <p>Reading and phonics update - agreed approaches CPD</p>	<p>EEF - Effective professional development report https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/effective-professional-development</p> <p>Tom Sherrington - Teaching some vs teaching all</p> <p>Focus on 3 specific children https://researchschool.org.uk/greenshaw/news/the-focus-five-how-we-are-addressing-disadvantage</p> <p>EEF - Metacognition and self regulation +7</p> <p>Sutton Trust (2011) 'The effects of high-quality teaching are especially significant for pupils from disadvantaged backgrounds: over a school year, these pupils gain 1.5 years' worth of learning with very effective teachers, compared with 0.5 years with poorly performing teachers'.</p> <p>Marc Rowland's active ingredients for tackling disadvantage - Dfe advisor https://www.cathypotteredublog.com/</p> <p>How best to support disadvantaged pupils</p>	<p>1</p>

Total budgeted cost: £49,600 - Any additional costs spent are taken from our school budget.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2024 to 2025 academic year.

Our evaluation of the impact of our activities has been based upon sources of evidence such as summative assessment data, staff voice, pupil voice and attendance data.

1. Academic achievement

It is important to note that intersectionality affects over 70% of our PPG children, in both advantageous and disadvantageous ways.

Overall 67% of our PPG children in reception achieved a good level of development, compared to 73% of non PPG children. Which leaves a gap of 6.2% between disadvantaged and non disadvantaged. Although this gap is larger than last year, it is significantly smaller than the national average which is 20.4%.

The impact of adopting the Little Wandle phonics scheme so far seems positive. Teachers' and pupil voice, learning walks and phonics trackers suggest that the programme is now well embedded. Reading outcomes continue to improve.

Our Year 1 phonic results show that 78% met the Phonic Screen threshold in June. The national average is currently 67%.

Our Year 2 children also did well - **Progress - expected or exceeding**

	Reading	writing	maths
12 FSM & 2 YC = 14 PPG	11/14 79%	8/14 57%	11/14 79%

2. Emotional wellbeing and safeguarding needs

Ongoing discussions with pupils and their families show that a significant number of families require additional support, including social, emotional and mental health signposting.

This year we have continued our focus on being an attachment and trauma informed school and achieved the gold award. We received the attachment aware schools award originally in 2021 as a recognition of a commitment to the steps we have taken, to further develop a culture of compassion and nurture. This plays a pivotal role in getting our children and young people into a state of 'learning readiness'. The award recognises and celebrates best practice in

attachment and trauma aware schools and settings.

Gold award - our main aims...

- To continue to embed the training that we started when we completed the AASA Silver award, for new staff and to also refresh staff knowledge. We have done this every year as a part of our annual CPD programme.
- To embed Zones of Regulation as a whole school approach started during the silver award
- To work closely with the MHST to support our families, utilising the services they offer
- To develop a larger space for nurture, sensory circuits and regulation
- To work closely with our feeder nurseries and to share training

Mental health & Wellbeing

This has been an important part of our work this year, as we see more and more children and families needing support.

Please see our MHST provision map for the work we have completed in 2024/25

Pupil Voice:

We hold regular school council and prefect meetings where children have the opportunity to express opinions and take part in decision making. Children are regularly asked to vote on important decisions, whether that is class based or for the whole school. The RRS work has focused on pupil voice and ensuring all children know their rights. We managed to achieve the silver award this year and have regular meetings with the RRS ambassadors. Children are regularly surveyed and their voice impacts their personal learning targets.

- 3. End of year attendance data 2023/ 2024 showed that 21% of our PPG children (7 children) were classed as persistent absentees and therefore missed out on core learning building blocks.**

This can have detrimental effects on their language, long term memory (knowing more and remembering more) and their positive mental health.

- PPG children attendance – **94.21%** Last year - **93.03%**
- Non-PPG children attendance – **96.35%**
- Number of PPG children with PA – **4/33** last year - **7**

Our Attendance manager meets regularly with the Education Welfare Officer to discuss children whose absence % was below 95%.

Although we have seen a decrease, this year we would like to see the % of PA in all children decrease again further next year

Parental engagement

As a school we have prioritised this throughout the year. We now have a large number of parents coming in to work alongside us.

We held several workshops to support phonics and early reading at home which were a great success with parents. These were targeted at EYFS and KS1. We continue to encourage parents to support their child's learning with mathematics, spelling and 1:1 reading at home

We have an established Celebrating diversity group, run by parents, many of whom are parents of children accessing PPG.

Our SENCO invites all SEND parents to attend an extra meeting each term, where notes are taken, shared and action points are followed up on and highlighted.

Parents are renewing their DBS and are now coming into school to help

EYFS and key stage 1, now use Google Classroom as a consistent way to communicate with parents.

A weekly newsletter is sent to all parents by the headteacher.

4. Our current economic climate in the UK means that more and more children are disadvantaged.

We have a range of enrichment opportunities and a strong focus on vocabulary. Our high quality texts and POR approach develop this area.

The full range of enrichment activities listed above enhance the cultural capital of our children. Here are just a few of the enrichment opportunities we provided for all of our children. Please see our enrichment offer below.

We regularly collect for local food banks and offer second hand uniforms for free or for small optional donations.

<i>Opportunity</i>	<i>Impact</i>
All children have the opportunity to swim in our outdoor pool in the summer term. They take part in a gala with other schools and PPG pupils are offered additional lessons.	Increased swimming ability Improved water confidence and therefore safety Improved fitness and self esteem
All children take part in Forest school lessons. We have a designated forest school area with a fully qualified FS teacher. PPG/DA pupils are offered additional sessions.	Improved well being Increased skills-DT/Science/PSHE/Maths/Art/ speaking and listening/Physical
All children experience Theatre workshops linked to the curriculum work eg. Florence Nightingale, minibeasts, Fire of London	Improved cultural capital Improved well being, confidence and self esteem
All children take part in the Daily mile programme	Improved fitness Increased self esteem and confidence Improved self esteem
All children learn about good nutrition and regularly prepare food	Increased knowledge of the importance of good nutrition Improved confidence and well being Links to science/Speaking and listening/ PSHE
Each child is given the opportunity and skills to	Improved well being, awareness of the

reflect on their own wellbeing- focus weeks, PSHE curriculum, Wellbeing practitioners, circle time, focussed assembly, outdoor learning, worry box, carefully chosen books to support well being	
Each child is given the opportunity to take part in a full menu of after school clubs.PPG pupils and other disadvantaged are given priority and are able to attend free of charge.	Increased opportunity experience new things Improved well being, self esteem and self confidence Opportunity to meet children from different year groups
Each child enjoys several peer massage session with a qualified practitioner	Improved well being and self esteem Improved self regulation
Each child enjoys regular class trips, or 'adventures'. PPG pupils are offered a free place on trips that are paid for by parents.	Increased cultural capital Improved confidence, self esteem.
Each child will learn a musical instrument	Improved musical knowledge Improved well being, self esteem and confidence
Each child will perform to an audience <ul style="list-style-type: none"> ● Summer concert ● Class assembly ● Christmas play ● Local Care home ● Outside school at the end of term 	Improved self esteem and confidence Increased cultural capital Improved well being
Each child will meet the RNLI, scientists, doctors, green campaigners, authors, illustrators, the firefighters from Green Watch, air ambulance etc	Increased cultural capital
All children celebrate our diverse cultures- International fortnight, reflecting reality books, curriculum.	Improved self esteem and well being Increased cultural capital Equality
All families experience a range of events organised by the PTA <ul style="list-style-type: none"> ● Fireworks ● Summer and Christmas fairs ● Bounceathon ● Outdoor theatre ● Pizza kits ● Discos ● Outdoor Theatre 	Improved self esteem and confidence Increased cultural capital Improved well being

<p>All children will enjoy extra curricular sports</p> <ul style="list-style-type: none"> • Inter year competitions (gymnastics) • Football matches with other schools • Girls football • Swimming gala with cluster schools 	<p>Improved self esteem and confidence Increased cultural capital Improved well being</p>
<p>All children experience swimming in outdoor pool during the summer term</p>	<p>Improved physical well being Improved well being Water confidence Improved self esteem and confidence</p>
<p>All children experience science week</p> <ul style="list-style-type: none"> • Visiting scientists • Trip to secondary school • Science experiments • Coombe Hill spring watch • Competitions-birdwatching, tree search etc • Visits to the pond • Frogspawn, webcams of birds hatching 	<p>Improved self esteem and confidence Increased cultural capital Improved well being Increased curriculum knowledge</p>

Educational Visits

Year group	Autumn	Spring	Summer
EYFS	The post box	Coombe Manor	Farm/ Visiting Animal Company
Year 1		Kingston Library	Painshill Park
Year 2	Rose Theatre for Christmas show	National Gallery	Wisley Some children, mainly PPG and GDS History/Geog experience the Kingston local history walk

Trip/Event/Activity	PPG pupil involvement
Coombe Hill Care Home partnership group	1 x Rec PPG pupil
Christmas/Seasonal cards - Dec 24	PPG pupils offered a free pack
Coombe Hill Care Home Carol Singing - Dec 24	2 x PPG pupils participated

Rose Theatre Cluster concert - Mar 25	6 x PPG pupils participated and their parents were offered free tickets
Year 2 Gymnastics competition - Feb 25	4 x PPG pupils participated
Accent Catering Salad tasting event - Mar 25	All PPG children in Year 2 experienced
Reception visit to Hounslow Urban Farm - Jun 25	PPG children will have a free place
Year 1 visit to Painshill Park - Jun 25	PPG children will have a free place
Year 2 visit to RHS Wisley - Jun 25	PPG children will have a free place
Year 2 Historical walk in Kingston	PPG children chosen
Year 2 singing Concert at the Rose	PPG children chosen

CLUBS

Autumn 2024

220 places available open to **180** children (clubs are not open this term to EYFS children)

13 clubs on offer;

- Love the ball
- Board games and construction
- Mindfulness
- Spanish
- Sewing and Crafts
- French
- Forest school
- French
- Art
- Storybooks
