

## Year 1 Home Learning Tasks for Autumn 1

# UNDER THE SEA

### READING

Please encourage your child to read to you for 5-10 minutes every day. Also, please read to your child as often as you can and take time to discuss what is read to improve their comprehension.

### SPELLING

Encourage your child to practise the year 1 common exception words which are sent home each Friday. Challenge them to add sound buttons under non common exception words.

### MATHS

Please practise correct number formation and counting to 20 forwards and backwards. Practise one more and one less than numbers up to 20

Each week we will be focusing on one of our learning behaviours..... Talk to your child about what these mean.

Resilience  
Respectful  
Resourceful  
Reasoning  
Responsible

### Science

Find out about what keeps you healthy! Design a healthy plate of food.

Draw around yourself or a member of your family, label the parts of the body and find out what they do.

Make a poster about your 5 sense.

### Projects

Have a go at making an under the sea project (ideas for these were given out by class teachers recently).

Get crafty and make something exciting to bring in for show and tell.

### Humanities

Find out some facts about Grace Darling and lighthouses.

How have they changed throughout history? Make your own lighthouse using a painted tube and a torch!

### More maths!

Use physical objects such as dried pasta, buttons or conkers to add or subtract small amounts.

Practise telling time to the hour.

Play with coins and begin to recognise their value.

### Writing Opportunities

Write about your experiences outside of school. Retell your favourite story and make your own book.

Write a book (fiction or non-fiction) about adventures under the sea.

Make a poster to share facts about sea creatures.
