

Home Learning Bingo

Fun activities for ages 4-10

Home Learning Bingo 

Pick an idea and colour in the square.
See if you can get 5 in a row!

read 10 books	draw a picture of your family	bake a cake or cupcakes	ride your bike or scooter 3 times	go outside and build a house for mini-beasts
go birdwatching - see how many different birds you can count	blow up a balloon and play balloon tennis indoors	take a bath and make a crazy hairdo with bubbles!	ask a grown up for some sums and solve them	do a jigsaw puzzle
make a den fort using sheets and chairs or a clothes horse	turn a stick into something - a wand, a kite or a stick man	paint a picture of a imaginary world you'd like to visit	look at the sky at night and then draw a picture using chalk and black paper	draw a ball game
create an obstacle course	make up a dance routine	make a connect the dots picture for someone to solve	help a grown up with a chore job around the house	make a mini city using cardboard boxes, blocks and small toys
practise counting in 2's, 5's and 10's by taking steps up the stairs	make a fruit smoothie with a grown up	put on a puppet or magic show	make some Jewellery with pasta and string	make a craft from a book or printable

Perfect for homework,
home schooling or holiday
challenge
