Year 2 Home Learning Tasks for Summer 2

OUT AND ABOUT

READING

Please encourage your child to read to you for 10 minutes every day. Also, please read to your child as often as you can and take time to discuss what you have read, to improve their comprehension.

SPELLING

Encourage your child to complete the hand-writing sheets, as these contain the weekly spelling patterns, grammar and punctuation. Challenge them to add sound buttons and syllable slashes. Tricky words - everybody, sure, busy, again, parents, pretty

MATHS

Please give any support that is required so that your child finishes the weekly maths challenge. Practise telling the time with your child - be clear about quarter past and quarter to.

Our theme this term is One more step!

Choose to use

Staying safe

Each week we will be focusing on one of our learning behaviours.....

*Resilience Ready
Respectful Responsible
Resourceful Reasoning*

Minibeasts

Go minibeast spotting in your garden or at the park

What do you already know about them?

What sort of places do you find them?

Bring in a book about minibeasts

Mental Arithmetic

Fluency: how quickly can you add 2 numbers totalling up to 100? Can you recall the 2, 5 and 10 times tables?

Reasoning: talk about maths in real life. Can you explain how your favourite maths game works?

Local History

How old is our school?

Do you know what was here before our school was built?

Talk to older family members about their experiences of Coombe Hill Infants

Transition to Juniors

What are your best memories of the Infants?

How do you feel about changing schools? Talk to your family about this

If you could learn about anything next year, what topic would you choose? Tell your teacher!

Poetry

Read as many poems as you can over half term!

What is your favourite?

Can you recite one, off by heart?

Riddles are a fun kind of poetry
